

# Navya Duggal

I am a passionate BCA student and aspiring developer with a strong interest in web development and programming. I love creating innovative solutions and learning new technologies.

Currently pursuing my studies while gaining practical experience through internships and training programs. I'm always eager to take on new challenges and expand my skill set.

## Experience

---

- Web Developer Intern — CodSoft

May 2025 – Present

Worked on responsive web pages using HTML, CSS, and JavaScript.
